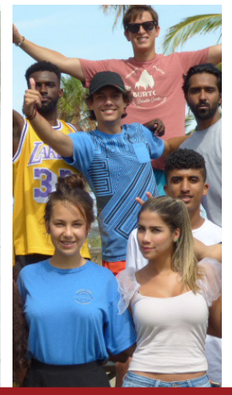
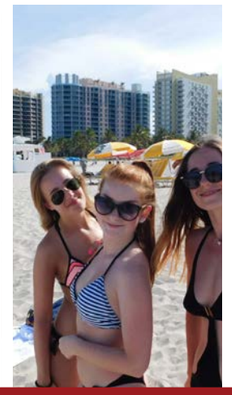
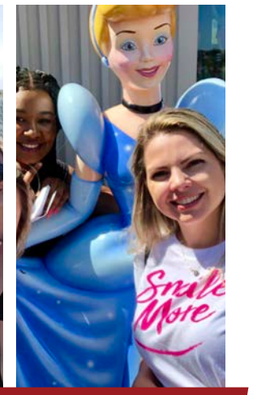
The Sunshine State

Florida is one of the most visited travel destinations in the US. Its beaches draw thousands of people from around the world every year. However, there is much more to see in this amazing state.







SPANISH EXPLORER, JUAN PONCE DE LEON, WAS LOOKING FOR THE FOUNTAIN OF YOUTH WHEN HE DISCOVERED FLORIDA. THE CITY OF ST. AUGUSTINE, FL WAS THE FIRST PERMANENT EUROPEAN SETTLEMENT IN THE UNITED STATES.

Florida is home to the Miami Heat, Orlando Magic, Miami Dolphins and Florida Panthers.

World renowned theme parks are based in Florida.

OHLA is located in Florida's main city hubs.

Top ranked Universities. *OHLA University Partners!*

Florida has 663 miles of sandy beaches.

STUDENT DEMOGRAPHICS

Diversity is key when learning a new language.

OHLA welcomes students from over **70+ countries**, making our centers a melting pot of nationalities and cultures.

THE WORLD UNITES AT OHLA

THE DIVERSE EDUCATIONAL BACKGROUNDS OF OUR TEACHERS PROVIDE STUDENTS THE BENEFIT OF VARIOUS TEACHING STYLES AND EXPERIENCES.

ACADEMICS

CURRICULUM

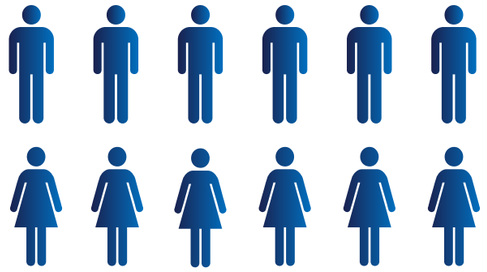
OHLA uses a skills-based curriculum, focused specifically on developing necessary linguistic skills in six major areas: reading, writing, listening, speaking, vocabulary and grammar. We know the best way to develop these new linguistic skills is the same way we all learned our native languages, “organically”. Languages are not meant to be memorized, but rather these skills must be practiced and used on a daily basis to master the language.

FACULTY

Every member of our faculty holds a Bachelor’s Degree and a TESOL Certification. Besides looking for individuals with the required educational background, we seek teachers who have international experience and as such, a number of our faculty members have had previous teaching assignments abroad.

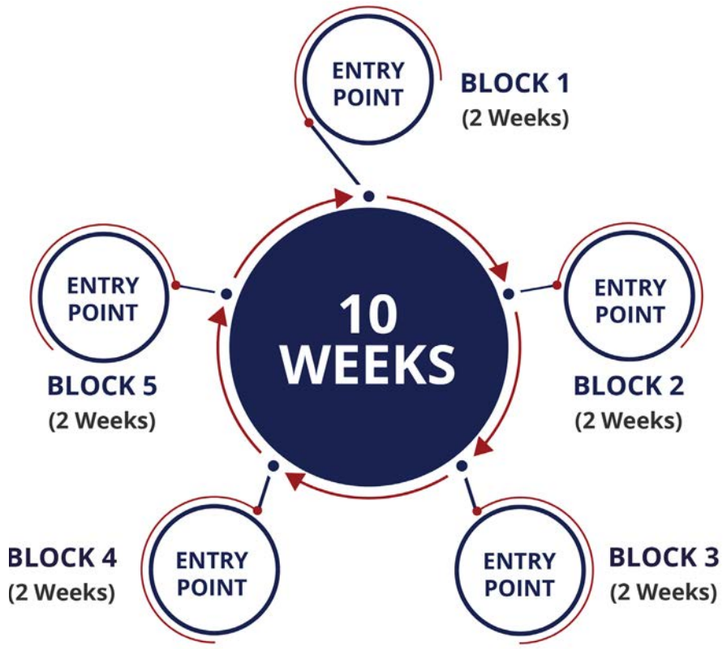
PLACEMENT TEST & ORIENTATION

On the first day of class, students will sit for a comprehensive Placement Exam. Students will be placed in the English class level based on their test results. Students will also attend a welcome orientation where information regarding F-1 visa regulations, lodging, schooling for dependents, free OHLA medical insurance coverage, etc. will be provided.



CLASS SIZE

Our average class size is 12 students. However, our classrooms can easily accommodate 15 students. This small group setting maximizes interaction and allows students to receive the individual attention required in a successful student-centered curriculum.



ENTRY POINT

Each level lasts ten weeks and is subdivided in five 2-week-units called “blocks”. The blocks are designed to be as self-contained and noncumulative as possible, resulting in a progression of skill development, which will maximize the learning experience.

While students may commence their language studies at the beginning of any two-week block, we recommend for them to commence their language studies only at the beginning of block 1, 2 or 3.

ENTRY DATES EVERY SECOND MONDAY

OUR PROGRAMS

At OHLA, we view the mastery of the English language as a continuous and progressive approach rather than step-by-step exercise.

When we learn a new language, we are gradually improving our knowledge of that language, the same way we are constantly learning and refining our own native language.

We truly believe that languages are not meant to be memorized but rather they are meant to be used and practiced consistently on a daily basis. In order to obtain the mastery of the English language in a shorter amount of time, our teachers place emphasis on having students understand the messages and vocabulary accurately in the foreign language. Our curriculum also focuses on the conscious learning of grammar rules and usage versus minuscule corrections.

To further propel a conducive learning environment, OHLA offers 8 ESL levels. Students sit for a Placement Exam on their first day of class to evaluate their current linguistic skills. Students are then placed in the appropriate English level. Pre-arrival online testing can be organized upon request.
