# AT A GLANCE

---

**Price:** £4,000

**For Ages:** 13-16

**Course Length:** 2 Weeks

**English Level:** B1+

**Starting Dates:** 17th July, 31st July.

**Location:** Headington School, Oxford

**Course Objectives:** Improve English Language Skills; Develop Leadership Knowledge

Leadership skills are often at the heart of success in professional life. Whether it be business, politics, or performing in the arts, those with confident and skillful communication will often be leading from the front. Drawing on the strategies and behaviours utilised by contemporary leaders in business and politics, students will learn the foundation of what is required to shape their own personal leadership style.

Students will focus on building their skills in communication, collaboration, analysis and conflict resolution, as well as their cross-cultural understanding. All students will have the opportunity to apply these skills in public speaking and debating projects during the course, as well as in many other interactive and challenging projects in which their Leadership skills will be tested

## Time to Shine

**Time to Shine title: *The Good Cause Project: Campaigning for the Allocations of Funds to a Local Charity***

## Time to Shine

Headington's Future Young Leader students will take part in a teamwork project in which they will campaign for a local charity to receive money raised by SBC's Headington Summer School. Each team will find and research a local Oxford-based charity, and deliver campaign speeches to their fellow students in Headington's Time to Shine ceremony. The team with the most effective campaign speech will see the money donated to their chosen charity.

## What you'll learn

- An overview of major leadership traits and qualities that make a successful leader.
- Case studies in leadership throughout history, and what can be learned from each example.
- Take part in our exciting *Good Cause* Time to Shine project, in which you and your classmates will campaign for a local charity to receive funds raised by SBC Headington Summer School.
- Through fun and engaging lesson activities, develop and apply your 21st century skills, such as critical thinking, communication skills, collaborative skills, and original thinking.
