Course Overview **2023**

Course Overview

AT A GLANCE

For Ages: 11-15

Course Length: 2 Weeks

English Level: B1+

Starting Dates: 10th July, 17th July
2023

Location: Canford School, Dorset

Course Objectives: Improve English Language Skills; Develop Leadership Knowledge

Everyone has the ability to inspire, and during our Introduction to Leadership course, we explore the foundations and qualities that will make each of our students effective leaders.

During this exciting two week programme, we examine well-known historical leadership figures and the characteristics that made them successful.

Students will study the fundamentals of what is necessary to create their own personal leadership style by examining the habits and behaviours of modern business and political leaders.

Time to Shine

Changing Climate Change: Leadership in Tackling the Global Climate Emergency

Time to Shine Description

SBC Canford's Introduction to Leadership students will undertake a 10 day teamwork project in which they learn about trends in climate change and the efforts made by events such as the United Nations Climate Change Conference and the Conference of the Parties (COP) to solve climate problems. Students will research the most important areas to tackle in climate change, and prepare keynote speeches to present at Canford's own climate change summit: Canford 23.

What you'll learn

- An overview of major leadership traits and qualities that make a successful leader.
- Case studies in leadership throughout history, and what can be learned from each example.
- Take part in our exciting *Changing Climate Change* Time to Shine project, in which you and your classmates will research key areas and climate change, and present a keynote speech on the topic.
- Through fun and engaging lesson activities, develop and apply your 21st century skills, such as critical thinking, communication skills, collaborative skills, and original thinking.
